

Higher profits. Lower overhead. Better market share.

FRONT OFFICE. BACK OFFICE. TOTAL CONTROL.

TempWorks Enterprise staffing software provides everything you need to manage a full range of front and back office functions for your staffing agency.

STAFFING FIRM MANAGEMENT SIMPLIFIED

Easily deployed from a one-click platform, Enterprise simplifies management of a complex business. You get the information most critical to your business – including staffing, CRM and accounting enterprises – in seconds.

EXPERTS IN SOFTWARE. EXPERTS IN STAFFING

Enterprise combines the best of Microsoft Windows Presentation Foundation and our decades of experience in enterprise apps. With functions including resume scanning, job order creation, payroll, invoicing and accounts receivable and featuring comprehensive reporting and access to real-time information, Enterprise allows you to manage your business more effectively and efficiently than ever before.

EASY TO LEARN, EASY TO USE

Enterprise is extremely easy to learn. It boasts a sleek, easy-to-use interface that saves your company time and money on training. New users are up and working with the system almost immediately.

THE INFORMATION YOU NEED WHEN YOU NEED IT

The Activity Center display helps users concentrate on the most critical, ongoing processes. You can view multiple records on one screen for comparison, or view an order next to multiple candidate records to determine which person will be the right

fit for the position. Enterprise lets you build custom searches on the fly and sort the columns however you choose.

BETTER STAFFING FRONT TO BACK

TempWorks Enterprise will streamline your operations. Your staff will appreciate the ability to deliver timely information and the best talent to clients. Clients will get the seamless staffing experience they expect. TempWorks even offers industry-specific software for staffing agencies serving the medical, accounting and IT industries.

Features include contact management, keyword resume/employee search and placement, flexible, customizable invoicing options and 24/7 customer service.
